

The Sikhs and Sikhism: A Basic Bibliography

Patrick S. O'Donnell (2022)

The Golden Temple (Amritsar, Punjab, India)

This compilation, like most of my bibliographies, has two constraints: books, in English. It is not intended to be even remotely exhaustive but there should be enough titles to be useful for most purposes, be it mere curiosity, leisurely reading, or serious research. I am happy to learn of works one believes are conspicuous by their absence, which I will consider adding to later iterations.
